A.1 Services and Payment

Present Pathways provides care for the Children, including infant, toddler, and preschool care, during the hours of 7:00 AM to 6:00 PM Monday through Friday ("Basic Services"). Present Pathways also provides optional services such as Breakfast Club and professional photos ("Optional Services"). Payment is due weekly, on Monday. Late pickup fees apply per Section II of the Parent Handbook (\$25 flat for 1-10 minutes after 6:00 PM; \$50 flat for 11-30 minutes; \$1.50/minute beyond 30 minutes). Present Pathways will provide 30 calendar days' written notice of any rate change, per Title 22 CCR §101219.

A non-refundable reservation deposit (one week of the weekly tuition rate) is due upon enrollment to reserve the slot, as set forth in §3.3. Where the financial terms of a signed Tuition Agreement (deposit, withdrawal-notice tuition, liquidated damages, late fees, chargebacks) differ from the financial provisions of this Agreement or the Handbook, the financial terms of the Tuition Agreement control.

A.2 Refund Conditions

Refund conditions are governed by Section III of the Parent Handbook (Closures, Force Majeure, and Refund Policy, §3.6), which is incorporated by reference. In summary:

- Family-initiated absences: not refunded.
- Center-initiated short closures (holidays, inservice day): built into rate; no refund.
- Force Majeure closures: tuition continues; if a closure exceeds sixty (60) consecutive operating days, either party may terminate on seven (7) days' written notice per §3.6.

Authorizations, Releases, and Acknowledgments

B

The Parent/Guardian authorizes and acknowledges all of the items below as a condition of enrollment. This Appendix is adopted and made binding by the single signature on the Acknowledgment of Receipt and Review (Appendix E); that one signature applies to every section of this Appendix, and no separate signature is required here. Where federal or state law requires separately documented consent (e.g., COPPA verifiable parental consent for Brightwheel), the signed Appendix E acknowledgment, which expressly adopts this Appendix, serves as that consent. Specific operational opt-outs (e.g., opting out of vendor-embedded AI features) may be submitted in writing to the Director after enrollment; see Withdrawal of Authorization at the end of this Appendix.

B.2 Surveillance Authorization and Acknowledgment

I authorize and acknowledge that Growing Mindfully operates a continuous audio and video surveillance system on the premises for the safety and security of children, families, staff, and visitors, as described in Section IX of the Parent Handbook. Visible signage at the facility entry also notifies all entrants of the recording in progress.

- Surveillance cameras are present on the premises. They are NOT installed in restrooms or lactation rooms.
- Footage is retained for 14 to 30 days, longer if preserved for an active investigation, an unusual incident, an employment matter, or a legal requirement.
- Access is limited to the CEO, the Program Director, the IT vendor under written confidentiality, CDSS Community Care Licensing on request or inspection, law enforcement under valid legal process, and the Center's attorneys for litigation defense.
- I understand that footage will not be released to me or any other parent on request. The Director may, at the Center's discretion, allow me to view (but not copy or distribute) relevant footage if an incident involves my child.
- Live remote streaming to parents is not offered. Photographing or recording the facility, classrooms, staff, or other children by parents, visitors, or vendors is not permitted, except for photos of one's own child only.
- I waive any objection to the existence, operation, retention, internal review, or lawful disclosure of surveillance footage that includes my child.

B.3 Brightwheel and Third-Party Communication App Authorization (COPPA Verifiable Parental Consent)

I authorize Growing Mindfully to enroll my child and my family in Brightwheel (operated by Can Do Kiddo, Inc., d.b.a. Brightwheel, <https://mybrightwheel.com>) for daily communication, sign-in/out, photo and video sharing within my child's classroom, child-development assessments, and tuition payment. This authorization satisfies the verifiable-parental-consent requirement of the federal Children's Online Privacy Protection Act (COPPA, 15 U.S.C. §6501 et seq.; 16 CFR Part 312, as amended).

- Data shared with Brightwheel includes: my child's name, date of birth, photos, videos, daily activity logs, developmental milestones, sign-in/out timestamps and PIN; and my name, email, phone, and payment information.
- I understand Brightwheel is a third-party service governed by its own End-User License Agreement and Privacy Policy at brightwheel.com/privacy. Growing Mindfully neither owns nor operates Brightwheel and is not responsible for Brightwheel data breaches, service interruptions, or product changes.
- I release Growing Mindfully from any liability arising from my use of Brightwheel, except for liability that California or federal law expressly renders non-waivable.
- I understand that Brightwheel may, from time to time, introduce vendor-embedded AI features (e.g., AI-assisted daily summaries). I authorize Growing Mindfully to use these features consistent with the AI Use Policy in Section IX of the Parent Handbook.
- I will not share, screenshot, post, download for redistribution, or republish Brightwheel content that includes other families' children outside my own household.
- I may withdraw this Brightwheel authorization in writing to the Director at any time. The Center will provide an equivalent paper or email daily report, and will request deletion of my and my child's data from Brightwheel.

B.4 Artificial Intelligence (AI) Tools Authorization

I have read the Use of Artificial Intelligence (AI) Tools by Staff section (§9.10) in the Parent Handbook. I authorize Growing Mindfully staff to use AI tools as a research and drafting aid in the ordinary course of their work, for example, drafting and translating parent communications, summarizing materials, generating lesson plans, and using vendor-embedded AI features inside approved platforms such as Brightwheel, with human review before any AI-assisted communication is sent to my family.

I understand that the Center's AI Use Policy expressly prohibits: (a) generating synthetic photos, video, or voice clones of my child; (b) using AI for real-time surveillance or emotion-recognition analysis of children; (c) replacing direct human supervision of children with AI; and (d) submitting my child's personal information to AI tools that train on user input.

I understand the Center will, on my request, tell me whether AI assisted in drafting a particular communication about my child. I may submit a written request to the Director to opt my child out of vendor-embedded AI features (e.g., Brightwheel AI summaries), and the Center will honor it to the extent the vendor product allows.

I release Growing Mindfully and Present Pathways, Inc., from claims arising from staff AI use that complies with §9.10, except for liability that California or federal law expressly renders non-waivable.

B.5 Sunscreen, Insect Repellent, and Topical Over-the-Counter Authorization

I authorize Growing Mindfully staff to apply the following parent-supplied, parent-labeled products to my child as needed during the program day:

- Sunscreen (mineral-based, SPF 30+) before and during outdoor play.
- Insect repellent (DEET-free, parent-supplied) when outdoor conditions warrant.
- Diaper cream and barrier ointments (e.g., Desitin, A&D Ointment, petroleum jelly).

B.6 Developmental Screening Authorization (Non-Diagnostic)

I authorize Growing Mindfully to conduct routine developmental screenings of my child (e.g., the Ages & Stages Questionnaire-3 (ASQ-3), Brightwheel-embedded developmental tracking, or successor screening tools approved by the Director) as part of the Center's standard quarterly assessment process. Results will be shared with me and discussed at quarterly parent meetings. The Center may, with my separate written consent, share results with my child's pediatrician or with Early Start / IDEA evaluators if a concern is identified.

Non-diagnostic disclaimer. I understand that developmental screenings conducted at Growing Mindfully are educational tools to support classroom planning and family conversation. They are not diagnostic and are not a substitute for evaluation by a qualified medical, psychological, or educational professional. A screening result that suggests follow-up is not a diagnosis. Center staff are not licensed clinicians (see §5.16). I am responsible for engaging appropriate professionals, including my child's pediatrician, mental health clinicians, and Early Start / IDEA evaluators, for any diagnostic evaluation.

INITIALS · B.6

MA

B.7 Communicable Disease Exposure Acknowledgment

I understand that group child care environments inherently involve exposure to common childhood communicable illnesses (colds, RSV, hand-foot-and-mouth, GI viruses, COVID-19, influenza, conjunctivitis, head lice, etc.). Growing Mindfully follows the Sick-Child Exclusion Policy in Section V and notifies parents of any reportable communicable disease in the classroom, but cannot guarantee the prevention of every exposure. I assume the inherent risk of communicable disease exposure as a feature of group child care.

INITIALS · B.7

MA

B.8 Reptile Contact Authorization (Opt-In / Opt-Out)

I have read §5.13 (Pet and Animal Policy). I understand that Growing Mindfully keeps reptiles in a secure enclosure in the front lobby (not in any classroom and not in or near the infant room), and that children, under adult supervision, may observe and have brief, supervised contact with the reptile(s), followed by adult-supervised hand-washing. I understand reptiles can carry Salmonella bacteria and that hand-washing after contact is the primary safeguard. Children under twelve (12) months are not brought to the reptile area.

Please indicate your preference for your child:

- ☐ My child may have supervised contact with the lobby reptile(s).
- ☐ My child may not have direct contact with the lobby reptile(s); observation from a distance only.

I will notify the Director in writing if my child develops an immunodeficiency or other clinical condition that should change this preference.

INITIALS · B.8

MA

B.9 Personal Items and Loss-of-Property Acknowledgment

I understand that Growing Mindfully is not responsible for loss, theft, or damage to my or my child's personal items, including (without limitation) clothing, lovies, blankets, jewelry, electronics, strollers, car seats, or items left at the facility. I will label items and avoid sending valuables.

INITIALS · B.9

MA

B.10 Vehicle and Parking Lot Acknowledgment

I understand that the Center's parking lot and adjacent street are not part of the licensed premises and are not staffed by Growing Mindfully. I am responsible for supervising my child outside the licensed premises during drop-off and pickup. I assume the risks of vehicle and pedestrian incidents in the parking lot and street, except for harm caused by Growing Mindfully's gross negligence or willful misconduct.

INITIALS · B.10

MA

B.11 Subpoena and Legal Process Acknowledgment

I understand that Growing Mindfully will comply with valid subpoenas, court orders, and lawful requests from CDSS Community Care Licensing, Child Protective Services, law enforcement, and other government agencies. The Center may produce my child's records, surveillance footage, communications via Brightwheel, and other documents in response to such process, with notice to me where the Center is permitted to provide notice.

INITIALS · B.11

MA

B.12 Authorization to Share Records with Successor School and External Providers

I authorize Growing Mindfully, on my written request, to share my child's enrollment, attendance, immunization, and developmental-assessment records with: (a) the kindergarten or other successor school my child enrolls in; (b) my child's pediatrician, dentist, therapist, or other medical professional; © Early Start, IEP, or other developmental-services providers; and (d) any other person or entity I designate in writing.

B.13 Late Pickup and Emergency-Contact Authorization

I authorize Growing Mindfully to contact, in order, the parents/guardians and emergency contacts I have provided on the LIC 700 form if my child requires immediate medical attention or if I cannot be reached at pickup time. If no parent or emergency contact can be reached within 60 minutes of facility closing, I authorize Growing Mindfully to contact local law enforcement and/or Sacramento County Child Protective Services as required by law.

B.14 Withdrawal of Authorization

I understand that this Appendix B is an authorization required as a condition of enrollment. I may, however, withdraw or limit specific operational uses (such as requesting that my child not be enrolled in vendor-embedded AI features) by submitting a written request to the Director. The Center will use commercially reasonable efforts to honor such requests prospectively. Withdrawal of authorizations that the Center cannot operationally provide service without, including surveillance, mandated reporting, internal Brightwheel use, and legal-process compliance, is not available, and any such withdrawal will be treated as a request to disenroll.

B.15 Rights Preserved

Nothing in this Appendix B waives any rights I may have under the California Consumer Privacy Act / California Privacy Rights Act, the federal Children's Online Privacy Protection Act, or any other applicable law, including the right to know what personal information is collected about my child and family, the right to access and correct that information, the right to limit use of sensitive personal information, and the right to opt out of certain uses. To exercise these rights, I may contact the Director at any time.

EXECUTION

This Appendix B is authorized and made binding by the single signature on the Acknowledgment of Receipt and Review (Appendix E), which binds the entire Parent Handbook, including every section of this Appendix. No separate signature is required on this Appendix.

I authorize Growing Mindfully to enroll my child and my family in Brightwheel (operated by Can Do Kiddo, Inc., d.b.a. Brightwheel, <https://mybrightwheel.com>) for daily communication, sign-in/out, photo and video sharing within my child's classroom, child-development assessments, and tuition payment. This authorization satisfies the verifiable-parental-consent requirement of the federal Children's Online Privacy Protection Act (COPPA, 15 U.S.C. §6501 et seq.; 16 CFR Part 312, as amended).

- Data shared with Brightwheel includes: my child's name, date of birth, photos, videos, daily activity logs, developmental milestones, sign-in/out timestamps and PIN; and my name, email, phone, and payment information.
- I understand Brightwheel is a third-party service governed by its own End-User License Agreement and Privacy Policy at brightwheel.com/privacy. Growing Mindfully neither owns nor operates Brightwheel and is not responsible for Brightwheel data breaches, service interruptions, or product changes.
- I release Growing Mindfully from any liability arising from my use of Brightwheel, except for liability that California or federal law expressly renders non-waivable.
- I understand that Brightwheel may, from time to time, introduce vendor-embedded AI features (e.g., AI-assisted daily summaries). I authorize Growing Mindfully to use these features consistent with the AI Use Policy in Section IX of the Parent Handbook.
- I will not share, screenshot, post, download for redistribution, or republish Brightwheel content that includes other families' children outside my own household.
- I may withdraw this Brightwheel authorization in writing to the Director at any time. The Center will provide an equivalent paper or email daily report, and will request deletion of my and my child's data from Brightwheel.

B.4 Artificial Intelligence (AI) Tools Authorization

I have read the Use of Artificial Intelligence (AI) Tools by Staff section (§9.10) in the Parent Handbook. I authorize Growing Mindfully staff to use AI tools as a research and drafting aid in the ordinary course of their work, for example, drafting and translating parent communications, summarizing materials, generating lesson plans, and using vendor-embedded AI features inside approved platforms such as Brightwheel, with human review before any AI-assisted communication is sent to my family.

I understand that the Center's AI Use Policy expressly prohibits: (a) generating synthetic photos, video, or voice clones of my child; (b) using AI for real-time surveillance or emotion-recognition analysis of children; (c) replacing direct human supervision of children with AI; and (d) submitting my child's personal information to AI tools that train on user input.

I understand the Center will, on my request, tell me whether AI assisted in drafting a particular communication about my child. I may submit a written request to the Director to opt my child out of vendor-embedded AI features (e.g., Brightwheel AI summaries), and the Center will honor it to the extent the vendor product allows.

I release Growing Mindfully and Present Pathways, Inc., from claims arising from staff AI use that complies with §9.10, except for liability that California or federal law expressly renders non-waivable.

B.6 Developmental Screening Authorization (Non-Diagnostic)

I authorize Growing Mindfully to conduct routine developmental screenings of my child (e.g., the Ages & Stages Questionnaire-3 (ASQ-3), Brightwheel-embedded developmental tracking, or successor screening tools approved by the Director) as part of the Center's standard quarterly assessment process. Results will be shared with me and discussed at quarterly parent meetings. The Center may, with my separate written consent, share results with my child's pediatrician or with Early Start / IDEA evaluators if a concern is identified.

Non-diagnostic disclaimer. I understand that developmental screenings conducted at Growing Mindfully are educational tools to support classroom planning and family conversation. They are not diagnostic and are not a substitute for evaluation by a qualified medical, psychological, or educational professional. A screening result that suggests follow-up is not a diagnosis. Center staff are not licensed clinicians (see §5.16). I am responsible for engaging appropriate professionals, including my child's pediatrician, mental health clinicians, and Early Start / IDEA evaluators, for any diagnostic evaluation.

B.7 Communicable Disease Exposure Acknowledgment

I understand that group child care environments inherently involve exposure to common childhood communicable illnesses (colds, RSV, hand-foot-and-mouth, GI viruses, COVID-19, influenza, conjunctivitis, head lice, etc.). Growing Mindfully follows the Sick-Child Exclusion Policy in Section V and notifies parents of any reportable communicable disease in the classroom, but cannot guarantee the prevention of every exposure. I assume the inherent risk of communicable disease exposure as a feature of group child care.

B.8 Reptile Contact Authorization (Opt-In / Opt-Out)

I have read §5.13 (Pet and Animal Policy). I understand that Growing Mindfully keeps reptiles in a secure enclosure in the front lobby (not in any classroom and not in or near the infant room), and that children, under adult supervision, may observe and have brief, supervised contact with the reptile(s), followed by adult-supervised hand-washing. I understand reptiles can carry Salmonella bacteria and that hand-washing after contact is the primary safeguard. Children under twelve (12) months are not brought to the reptile area.

Please indicate your preference for your child:

- ☐ My child may have supervised contact with the lobby reptile(s).
- ☐ My child may not have direct contact with the lobby reptile(s); observation from a distance only.

I will notify the Director in writing if my child develops an immunodeficiency or other clinical condition that should change this preference.

B.9 Personal Items and Loss-of-Property Acknowledgment

I understand that Growing Mindfully is not responsible for loss, theft, or damage to my or my child's personal items, including (without limitation) clothing, lovies, blankets, jewelry, electronics, strollers, car seats, or items left at the facility. I will label items and avoid sending valuables.

B.10 Vehicle and Parking Lot Acknowledgment

I understand that the Center's parking lot and adjacent street are not part of the licensed premises and are not staffed by Growing Mindfully. I assume the risks of vehicle and pedestrian incidents in the parking lot and street, except for harm caused by Growing Mindfully's gross negligence or willful misconduct.

B.11 Subpoena and Legal Process Acknowledgment

I understand that Growing Mindfully will comply with valid subpoenas, court orders, and lawful requests from CDSS Community Care Licensing, Child Protective Services, law enforcement, and other government agencies. The Center may produce my child's records, surveillance footage, communications via Brightwheel, and other documents in response to such process, with notice to me where the Center is permitted to provide notice.

B.12 Authorization to Share Records with Successor School and External Providers

I authorize Growing Mindfully, on my written request, to share my child's enrollment, attendance, immunization, and developmental-assessment records with: (a) the kindergarten or other successor school my child enrolls in; (b) my child's pediatrician, dentist, therapist, or other medical professional; © Early Start, IEP, or other developmental-services providers; and (d) any other person or entity I designate in writing.

B.13 Late Pickup and Emergency-Contact Authorization

I authorize Growing Mindfully to contact, in order, the parents/guardians and emergency contacts I have provided on the LIC 700 form if my child requires immediate medical attention or if I cannot be reached at pickup time. If no parent or emergency contact can be reached within 60 minutes of facility closing, I authorize Growing Mindfully to contact local law enforcement and/or Sacramento County Child Protective Services as required by law.

B.14 Withdrawal of Authorization

I understand that this Appendix B is an authorization required as a condition of enrollment. I may, however, withdraw or limit specific operational uses (such as requesting that my child not be enrolled in vendor-embedded AI features) by submitting a written request to the Director. The Center will use commercially reasonable efforts to honor such requests prospectively. Withdrawal of authorizations that the Center cannot operationally provide service without, including surveillance, mandated reporting, internal Brightwheel use, and legal-process compliance, is not available, and any such withdrawal will be treated as a request to disenroll.

B.15 Rights Preserved

Nothing in this Appendix B waives any rights I may have under the California Consumer Privacy Act / California Privacy Rights Act, the federal Children's Online Privacy Protection Act, or any other applicable law, including the right to know what personal information is collected about my child and family, the right to access and correct that information, the right to limit use of sensitive personal information, and the right to opt out of certain uses. To exercise these rights, I may contact the Director at any time.

EXECUTION

This Appendix B is authorized and made binding by the single signature on the Acknowledgment of Receipt and Review (Appendix E), which binds the entire Parent Handbook, including every section of this Appendix. No separate signature is required on this Appendix.

A.1 Services and Payment

Present Pathways provides care for the Children, including infant, toddler, and preschool care, during the hours of 7:00 AM to 6:00 PM Monday through Friday ("Basic Services"). Present Pathways also provides optional services such as Breakfast Club and professional photos ("Optional Services"). Payment is due weekly, on Monday. Late pickup fees apply per Section II of the Parent Handbook (\$25 flat for 1-10 minutes after 6:00 PM; \$50 flat for 11-30 minutes; \$1.50/minute beyond 30 minutes). Present Pathways will provide 30 calendar days' written notice of any rate change, per Title 22 CCR §101219.

Where the financial terms of a signed Tuition Agreement (deposit, withdrawal-notice tuition, liquidated damages, late fees, chargebacks) differ from the financial provisions of this Agreement or the Handbook, the financial terms of the Tuition Agreement control.

- Family-initiated absences: not refunded.
- Center-initiated short closures (holidays, inservice day): built into rate; no refund.
- Force Majeure closures: tuition continues; if a closure exceeds sixty (60) consecutive operating days, either party may terminate on seven (7) days' written notice per §3.6.

B.2 Surveillance Authorization and Acknowledgment

I authorize and acknowledge that Growing Mindfully operates a continuous audio and video surveillance system on the premises for the safety and security of children, families, staff, and visitors, as described in Section IX of the Parent Handbook. Visible signage at the facility entry also notifies all entrants of the recording in progress.

- Surveillance cameras are present on the premises. They are NOT installed in restrooms or lactation rooms.
- Footage is retained for 14 to 30 days, longer if preserved for an active investigation, an unusual incident, an employment matter, or a legal requirement.
- Access is limited to the CEO, the Program Director, the IT vendor under written confidentiality, CDSS Community Care Licensing on request or inspection, law enforcement under valid legal process, and the Center's attorneys for litigation defense.
- I understand that footage will not be released to me or any other parent on request. The Director may, at the Center's discretion, allow me to view (but not copy or distribute) relevant footage if an incident involves my child.
- Live remote streaming to parents is not offered. Photographing or recording the facility, classrooms, staff, or other children by parents, visitors, or vendors is not permitted, except for photos of one's own child only.

- I release Growing Mindfully from any liability arising from my use of Brightwheel, except for liability that California or federal law expressly renders non-waivable.
- I understand that Brightwheel may, from time to time, introduce vendor-embedded AI features (e.g., AI-assisted daily summaries). I authorize Growing Mindfully to use these features consistent with the AI Use Policy in Section IX of the Parent Handbook.
- I will not share, screenshot, post, download for redistribution, or republish Brightwheel content that includes other families' children outside my own household.
